Dear Mr. DeLuca:

Our sincere thanks to you and to your Board of Directors for selecting the Bob Hope Hollywood USO at LAX as your charitable organization for receipt of funds from the upcoming West Hollywood International Film Festival.

This is very appropriate, for as you know, our local USO Center at Los Angeles International Airport is named after the most honored entertainer of all time, the late Mr. Bob Hope.

We provide hospitality services, travel support and a "safe haven" at LAX for some 40,000 brave young American warriors and their families each year. As we receive no funds from the government, we depend on the generosity, love and caring of the American people for our financial support.

Open 24 hours a day, seven days a week, including all holidays, we provide all of our services free of charge to our service members.

The funds which you provide will help to bring comfort and enjoyment to our military men and women as they stop and rest en route to duty stations worldwide. Many of these young troops have never been away from home before, and are heading to an unknown future. The USO's famous "Touch of Home" makes a big difference in their lives. Your contribution will help us to fulfill our mission.

We salute you and wish you great success with your film festival.

Sincerely,

*Michael R. S. Teilmann
Executive Director*
